OSC Enders,

I have the city's summary, but I never received the ODEQ write up. If you can send it to me I can add it into the logbook, along with the names of all who attended the meeting.

Chemical release in New Orleans? Sounds like a good response!

There are two sheets since else started another...the second one only has ONE name that is not on the final copy...FYI

Meeting went well. I think I already sent you the City summary of the meeting, correct? Did I send you the ODEQ writeup also? Sorry, got called out on a chemical release in New Orleans and can't remember what I did or didn't send you before I left...thanks.
